

VALPAR Component Work Samples are designed to utilize a minimum of consumable supplies and carry a year's guarantee attesting to durability. However, parts can become misplaced, lost or rendered inoperative due to years of hard use.

When ordering, please observe packaging restrictions such as "set," "pad," etc., and use the part number(s).

N/A indicates NOT AVAILABLE.

Shipping costs are automatically added to the total bill, plus handling charges as follows.

\$5.00 handling charge for orders less than \$75.00.

\$10.00 handling charge for orders \$75.00 - \$999.

\$25.00 handling charge for orders of \$1000 - \$5000.

\$50.00 handling charge for orders over \$5000.

*Due to a new supplier for the injection molded plastic chips, we need to inform customers that we are unable to assure a reliable match for all colors when new chip sets are used with older work samples. For any VCSW #7s bought before 2009, we recommend purchase of both slots and chips to assure a good match. We are offering a reduced package price of 425.00 for item # CHPKG7, a full set of chips and slots. For individual chip purchases, please contact us for availability of older chips.
